✓Cartridge

✓Multi-Component

✓Accessories

**Stronger barrel to handle connection**

**3-Screw Design**

**Improved recoil control. No hang-up as rod wears**

**Steel Hook Pull included**

**Accepts hook-pulls without removing existing pull.**

**Improved wear adjustment pin. Longer life.**

**Smoother, longer rod guide inside cap. No rocking & less wear.**

**The Best Just Keeps Gettin' Better!®**  
•Durable •Dependable •Efficient

- Barrel swivel is smoother, more consistent
- Barrel won't come loose when swiveling / twisting
- No proprietary wrench needed to tighten
- Better rod support
- Less friction and rod wear

**ALBION BLine DISPENSING SOLUTIONS**
