

**13 GAUGE SHELL  
7 GAUGE LINER**

- /// Excellent cut and abrasion resistance
- /// Black double dipped foam nitrile palm over fully coated red nitrile
- /// Double layered liner provides warmth and insulation for cold temperatures
- /// Water and oil proof coating
- /// Seamless construction with engineered yarn, ANSI A4 cut protection
- /// Extra soft inner liner for non-chafing comfort
- /// Launderable for extended glove use and to reduce replacement costs

## TECHNICAL DATA

Material	Engineered Yarn, Polyester, Acrylic
Coating	Nitrile
Knit Gauge	13 Gauge Shell, 7 Gauge Acrylic Liner
Size	S-2XL
Packing	6 Pairs per Package, 6 Dozen per Case
COO	China

## ITEM NO.

CF47035-S  
CF47035-M  
CF47035-L  
CF47035-XL  
CF47035-2XL

## SPECIFICATION SHEET CF47035

Double Dipped Foam Nitrile Palm  
Over Fully Dipped Nitrile  
ANSI Cut Level A4  
Double Layered Inner Liner

## APPLICATIONS

Cold Storage

Frozen Food Packaging

Warehouse

Landscaping

Construction & Maintenance

Commerical Fishing
