

TASK GLOVES

CUTMAN®

18 GAUGE

TOUCHSCREEN

THUMB SADDLE

- Seamless knit high-density polyethylene (HDPE) fiber shell
- Black super-foam nitrile palm offers breathability and excellent grip in oily and dry conditions
- Nitrile reinforcement between thumb and forefinger for added protection and extended glove life
- Lightweight knit, ideal for precision handling and continuous comfort wear
- Excellent cut and abrasion resistance
- Touchscreen compatible

TECHNICAL DATA

Material	Engineered HDPE
Coating	Super-Foam Nitrile
Knit Gauge	18 Gauge
Size	S-2XL
Packing	1 Dozen per Package, 6 Dozen per Case
COO	China

ITEM NO.

CM22250TC-S
CM22250TC-M
CM22250TC-L
CM22250TC-XL
CM22250TC-2XL

SPECIFICATION SHEET

CM22250TC

Engineered HDPE Shell,
Super- Foam Nitrile Palm with
Nitrile Reinforced Thumb Saddle

APPLICATIONS

Automotive

Electronics

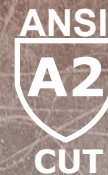

Glass Handling

Assembly

General Maintenance

Metal Handling
