

Sheet Metal Seaming and Bending Tools

Fairmont Tongs

The Original Forged Tongs!

- Used in HVACR, metal roofing, and many other sheet metal applications
- Forged and plated -- and fully guaranteed against manufacturing defects
- Bending depth marks on tong jaws
- Regular or offset handle models
- Available with cushion grip handles, providing a softer, more comfortable grip
- Tongs are 9-1/2" long, with a 3" wide by 1-1/8" deep jaw

MADE IN USA
