

Double-end Detail “V” Rollers MADE IN USA

- Detail “V” rollers make seaming tight angles and handling detail work around fixtures and in corners easier.
- Roller hubs taper to a 5/64" rounded edge that won't cut membrane material.
- All rollers have hardwood handles; enclosed bearings provide smooth rolling action.

MODEL #	DESCRIPTION	WEIGHT
MR13115	Double-end combo aluminum “V” roller: 2" dia. x 1/2" wide roller and 1-1/8" dia. x .196" wide roller	0.560 lbs.
