The Sheet Metal Tradesman's Choice

★ GLIDE-TECH ★
FORGED BLADES

GLIDE-TECH® TOUGH

GLIDETECH® manufacturing process produces unequalled strength, longest lasting edge life, and the most precise cutting action.

Blades are hot drop-forged of molybdenum alloy steel for exceptional strength and durability

KUSH'N-POWER® COMFORT

KUSH'N-POWER® compound leverage handle action with patented handle grip design multiplies handle force to cutting blades requiring the least amount of hand force while providing a soft, sturdy, and comfortable grip.

RUGGED RELIABILITY

Using the highest quality components, Midwest Snips® use a heavy duty double-overwind spring that is unconditionally guaranteed.

Grade 8 bolt is threaded and affixed into the bottom blade keeping blades in precision adjustment.
